Make an IMPaCt

Mentor a QESST grad. student as they complete their studies, & ready them for the transition to an industry environment.

Discuss topics related to:
- economics & market dynamics of PV
- industry-relevant research trends
- potential career paths for Ph.D.s
- dual career issues
- work-life balance and integration
- women in STEM fields
- minorities in STEM fields
- your story of life after graduation
- ...& a whole host of other topics

QESST Industry Mentor Program
